PROFESSIONAL EXPERIENCE

Operations Support Specialist

Baguio City, Philippines

Grumpy Joe

February - Present 2026

- **Assisted in project planning**, requirements gathering, testing, and deployment activities, helping facilitate a smooth migration from existing manual processes to a new integrated system.
- **Monitored project progress**, tracked issues and action items, and collaborated with department representatives to ensure successful adoption of new workflows and system functionalities.
- **Developed and maintained applications** to streamline business operations, including automated trackers, dashboards, and data entry forms tailored to Grumpy Joe's workflows.
- **Collaborated with staff** to identify workflow gaps and delivered simple, practical solutions through spreadsheets, templates, and organized filing systems.
- **Provided operational support** by creating and managing digital files, documentation, and system tools to improve team efficiency and daily task management.

Information Technology Intern

Baguio City, Philippines

Grumpy Joe

January 2026

- **Supported IT infrastructure maintenance**, including system monitoring, equipment setup, and providing on-site technical assistance to staff.

Property Manager

Paranaque City, Philippines
